## Punctuating speech

These sentences have lost their speech marks. Rewrite them putting in the speech marks. Change letters that should be capitals and add any other missing punctuation.

maybe we can go back to the city jared said

did you actually see anything asked mallory

get the scissors mallory yelled

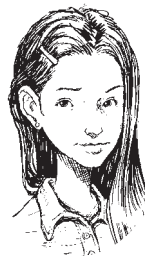

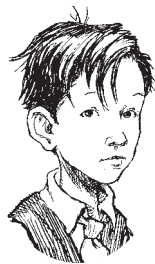

Shhhh simon said mum's going to hear us

mallory simon what are you doing up shouted their mother

these are cool aren't they jared said simon

Make up a sentence containing direct speech for each character. Use the phrases in the boxes to help you.

asked Jared
