Chenies School Friday Letter

This Week:

Dear Parents and Carers

Our first term of this year has ended and it has been a very good one; it started with an Ofsted inspection with a highly positive and encouraging outcome and has ended with our children performing beautifully in the Christmas productions.

Sadly, we are saying goodbye to Mrs Wilkinson who is relocating back home to Lancashire, she has got Pegasus off to a great start this year and we are very grateful for all the hard work and contribution she has given to Chenies. We are also very happy to have recruited a replacement for Pegasus and look forward to Mr Furcovici starting in January.

Thank you to all the PTA, parents and helpers who put together the Chenies Christmas Fayre on Sunday (for the second time...). The considerable effort that you put in really makes a difference to the school, both in terms of resources that we can purchase and the positive impact it makes on the role Chenies school plays in the wider community.

Thank you to the Governors for the support that they provide the school, your hard work and time given is greatly appreciated and is a key factor in driving improvements for the school.

Finally a big thank you to the teachers, teaching assistants, office team, lunch time team and Mr P. You have worked very hard to make this term so successful. I hope you enjoy your well earned break and that you return in the New Year ready for some more!

Wishing you all a very merry Christmas and a happy New Year

Best wishes
