

## Parents @ Chenies School

---

### SUGGESTIONS AND IDEAS

---

We value everyone's input on what you would like to see PTA funds spent on. Please take some time to have a think and a chat with your children to come up with some ideas that we can discuss at our meetings. Ideas can be anything from sports equipment to workshops. Any ideas for fundraising would be welcome too. Please use the space below.

This slip can be returned to the box labelled PTA suggestion box which will either be located outside the school hall or in the playground.

THANK YOU!
