# Chenies School Friday Letter

## This Week:

Dear Parents and Carers

The Year 2 children have been absolute stars this week, their positive and calm attitude towards their SATs tests has been wonderful to see; they have all given an excellent account of themselves and Mrs Windsor is very proud of all the children, they have all done their best. The Year 1 children have also been great, working in the hall with Mrs Board and Mrs Hawkins every morning and dealing with these changes in their routine in a very mature way.

There is a lot going on in school next week, firstly we have the Pegasus trip to Shortenalls which is very exciting for the class and for the teachers going. I am confident that they will have a great time and will create many wonderful experiences and memories together. I wonder how much quieter it will be in school without them...

Our Year 6 students have got their SATs next week, for which they are very well prepared and ready for. They have worked so hard this year and I am really looking forward to next week, as it is their chance to shine and to show us all how well they have done. So Year 6, have a restful weekend and come in on Monday ready to show us all how good you are!

Have a wonderful weekend.
