Today, we're going to focus on the relationship between the wolves and humans.

The story is told from the wolves' point of view. How does this influence our view of events?

Read pages 24 – 40.

How do you feel about the hunters?

Focus on a character and make notes about what they think about the humans - refer to the text.

*What do you infer from what Black Flame and Grey Cousin say?*

*What is Blue Wolf's experience of humans?*

*How are Shiny Straw's thoughts different from the others?*

## Humans, hunters

Continue writing each wolf's thoughts about human beings.

 <p><b>Black Flame</b></p> <p>"A human being is a collector."</p> <p>_____</p> <p>_____</p> <p>_____</p>	 <p><b>Grey Cousin</b></p> <p>"Humans? Two legs and a gun."</p> <p>_____</p> <p>_____</p> <p>_____</p>
 <p><b>Blue Wolf</b></p> <p>"They were always on our heels... Those men... Human beings..."</p> <p>_____</p> <p>_____</p> <p>_____</p>	 <p><b>Shiny Straw</b></p> <p>"I'll get to see what they look like at last... I'm the one they're looking for, after all..."</p> <p>_____</p> <p>_____</p> <p>_____</p>

Year 5 – Choose TWO of the wolves and write about their thoughts and feelings.

Year 6 – Continue writing the thoughts and feelings of each wolf.

Extension: Choose one of the wolves and role play being that wolf. How would you act? What would your facial expressions be like? What body language would you show?

After exploring through role play, write a monologue (the character speaking) showing through words what you explored.
