Chenies School Friday Letter

This Week:

Dear Parents and Carers

A very good week for Chenies School, I'm so glad Ofsted like the school as much as I do! Once again a huge thank you to all the team here, their commitment, energy and hard work has made a real difference to the school. The report is very positive, which is wonderful, however we are all aware that we must continue with our hard work to make our lovely school even better.

Our Harvest Assembly is on Monday 16th October at 10.00am. Parents are most welcome. We are collecting food which we will be giving to Chesham Food Bank please bring in your donations next week.

Drop off and pick up from school is a challenge, Chenies is not well designed for the 21st century, please be considerate to our fellow Chenies residents. Unfortunately some inconsiderate parking has caused one of our neighbours to complain which reflects badly on the school.

There is a lot of sport at school, it is great to see so many children involved, well done to Pegasus for their sports day at Dr Challoners High School and to our netball team for their first tournament. Next week have two football matches and another netball tournament. Good luck to all our teams.

Have a wonderful weekend.

Best wishes.
