Chenies School Friday Letter

This Week:

Dear Parents & Carers

It's been a great week down here in Liddington for PGL, the weather has been most kind and the children have been getting stuck in to a huge range of adventures. They have all overcome one fear or another: heights, claustrophobia, the dark and keeping rooms tidy! They have thoroughly enjoyed themselves and it has been a joy to see them having such a good one and getting on with whatever the day presents.

School Closed - Monday, 5 June

It seems that the scheduled power grid work is definitely taking place in Chenies on Monday, 5 June, the day after half-term, so we will be closed on that day.

So we will start the week on Tuesday 6th with an exciting trip to the Synagogue for Sprites and Phoenix classes, followed by KS2 visiting on the following day.

PE Kits:

A bit of a moan - too many children do not have their PE kit in school and too many do not have the correct kit. Please make sure that your child has their full PE kit in for every day. If you are unsure what that is, please check with Mrs Wright.

Another half term has flown by, the children have worked very hard, completing lots of tests so are due a well earned rest. Hopefully the sun will continue to shine and you will all have a wonderful half term.

Have a great week. Best wishes

Drumming teacher Marc Danecker kindly gave Griffin class a great lesson, followed by a class assembly for everyone. If you would like your child to have lessons (either privately or in school) please see his flier given to your child or contact the school office.

ParentPay:

Please can you ensure that your child's ParentPay school meal account is not in arrears.

Accounts that go into debt cause additional, time consuming, administrative work for the office and a continued lack of payment may impact on the school's ability to provide meals for your child.

If you have any difficulty in meeting the payment please arrange to speak with Mr Hook to discuss further.
