Chenies School Friday Letter

This Week:

Dear Parents and Carers

It has felt a little strange at school this week with every day at least a class away off doing something fantastic somewhere else and Friday having the wonderful writer and poet, Neil Zetter with us.

Phoenix have had a very busy week with their sports day at Dr Challoner's on Monday and then away at Kew Gardens on Wednesday. As always, their behaviour has been excellent and they take part in everything with enthusiasm and, despite the heat, great energy. Pegasus were at the Chiltern Open Air Museum on Monday where they took part in many Anglo-Saxon activities, their metal work brooches are fantastic. They also experienced archaeology first hand, taking part in a dig. As with all these wonderful trips, they really enrich the children's learning, bringing the topic to life and thus supporting them in their writing.

Griffin too have been busy, mostly by being immersed in rehearsal, but on Thursday they had a sports day at Dr Challoner's and gave a very good account of themselves, coming 3rd overall and winning the archery. Mrs Wilson was also delighted with their attitude and behaviour, making the day very pleasurable.

These fantastic trips and visits to school require a great deal of work from the teachers in finding them, the office in organising them and then from all the adults who help on the day. For all of this effort I am tremendously grateful as they really make a difference. On Tuesday we had our move up day which went very well, our new Year 1s, 3s and 5s all settled very well in their new classrooms with their new teachers. I am sure they will get off to a flying start in September.

Sports Day next week—1.30pm Tuesday 10th July (Chenies Cricket Club)

Well, I don't think we need to worry too much about bad weather... it is forecast to be very warm and sunny, so please ensure that you and your children are suitably prepared. We will set up shade for the children, bring your parasol!

Have a wonderful weekend.

Come on England!
