Chenies School Thursday Letter

This Week:

Dear Parents and Carers

Welcome back to Autumn term two, this is a very important term for school, it is the longest half term and we have a great deal to achieve within it, both academically and in other areas such as the lower school Christmas production.

In addition to these normal demands within this term we are also refurbishing our school library. We now have a confirmed date for this - Monday 20th November. To significantly reduce costs and help improve the look of the whole room we need to completely empty the library, redecorate it and give it a deep clean. Our very supportive PTA who are funding this project are also co-ordinating volunteers to help pack up, clean and redecorate the library on the Friday, Saturday and Sunday before the refurb day on Monday 20th. If you can help please let them know.

Thank you for your support with poppy sales at school, we are holding a special Remembrance Assembly on Friday 10th November at 10.45 to 11.15, parents and carers are most welcome and we have also invited Chenies villagers to attend.

We had our first morning club this Tuesday, those children who came seemed to be having a very energetic and noisy time. I know from the parent surveys that morning care would be very helpful; the more support and success we have as we make our tentative start in this area, the more we can hope to offer.

Have a wonderful weekend.

Best wishes.
