Chenies School Friday Letter

This Week:

Dear Parents and Carers

As we are one day before the Spring equinox, I suppose the weather is appropriate. With Spring starting tomorrow, no doubt we will see the end of the cold and snowy conditions. I am really looking forward to sighting my first butterfly of the year.

We had a great day on Wednesday last week, with all of our children engaging in a wide range of scientific activities - ice cream and slime seemed to be particularly popular. The children also got to see a rocket launch on Friday afternoon which finished the science week off with a WOOSH. Thank you to Mrs Silverstone for that.

Griffin are working hard on their singing in preparation for their concert next week, it is a lovely evening and I know that those who have been before are really looking forward to it. Extra tickets are available from the school office.

Thank you to all the parents for attending parents evening last week, I hope that the updates on your child's progress and targets was useful. Thank you too, to the teachers for their preparation work and long evenings.

We have our Easter assembly on Monday 26th March at 10.10a.m. Parents and carers are very welcome.

I hope that you all have a very good week.

Best wishes
