URGENT ADVICE RE PARENTPAY PAYMENTS

On Wednesday 8th June ParentPay changed the way you can pay for items. They have introduced a 'My Account' facility whereby you can now top up a 'holding account' and then allocate funds from this to pay for items including school meals.

Chenies School currently only uses ParentPay for school meals however we do envisage expanding our ParentPay usage to cover school trips. Parents should find the 'My Account' facility useful to help manage multiple payments across multiple children and schools.

Please find attached the 'My Account - Quick Guide', issued by ParentPay, and a video link <https://youtu.be/D5hetAD8pUc> to assist. If you have topped up your child's school meal account since the 8th June the funds may well be sitting in the 'holding account' therefore you need to log back into ParentPay and allocate the funds to their school meal account.

Please note we cannot see your 'My Account' balance only the balance on specific items e.g. Dinner Money.

In addition, due to changes to the ParentPay transaction charges, it is no longer necessary for the school to have a minimum payment of £20 for school meals; therefore the minimum transaction charge for Dinner Money has been removed. There is, however, a minimum top-up amount for 'My Account' of £2, which is set by Parent Pay.

If you experience any problems please do not hesitate to contact me.

Thank you

We would like to say a huge thank you to Mr Hill for repairing the Sprite learning shed and Mr Simpson for putting fencing up on our gate at the back of the field. It has made a big difference to our outside environment.
