

Bucks & MK School Games Challenges

Playwaze app and website guide for students and parents

BUCKS
AND MK

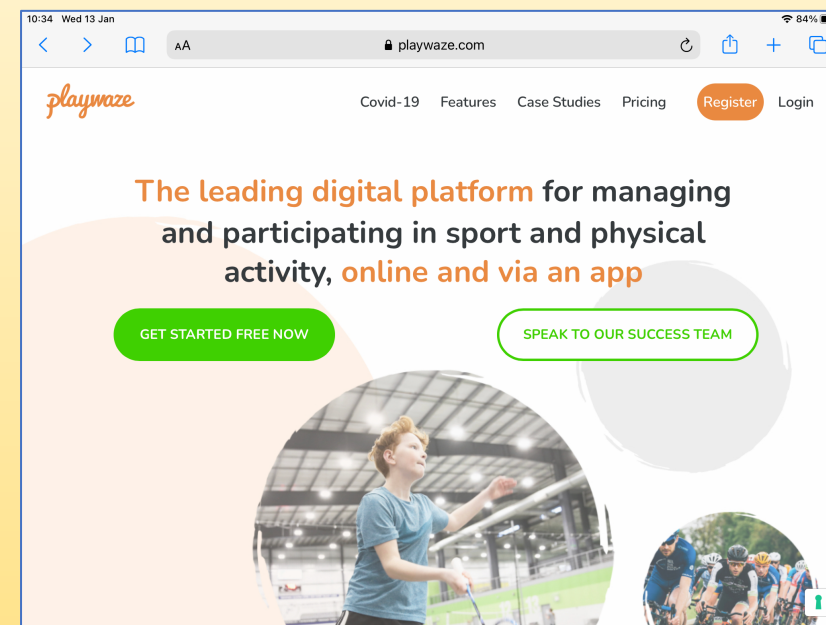

You can access Playwaze using

The app on any smart phone or tablet

Or

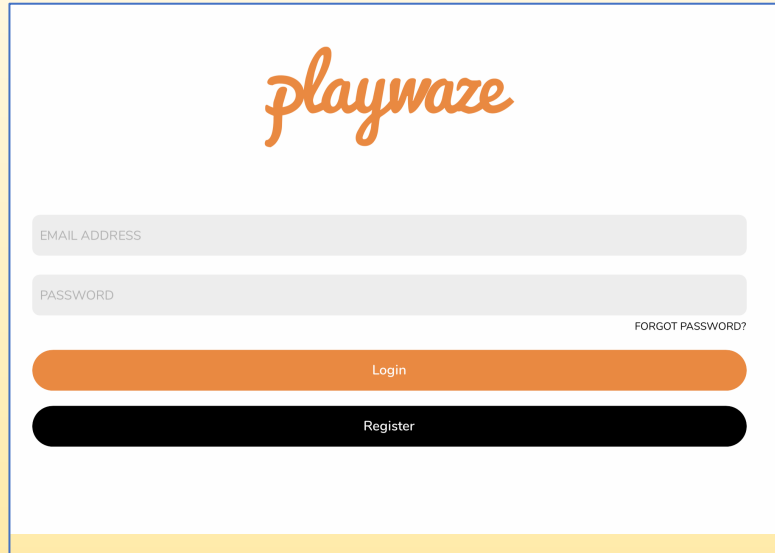

Via the website

Parents can have one account and add their child/children as a user (ideal if you have children at primary school)

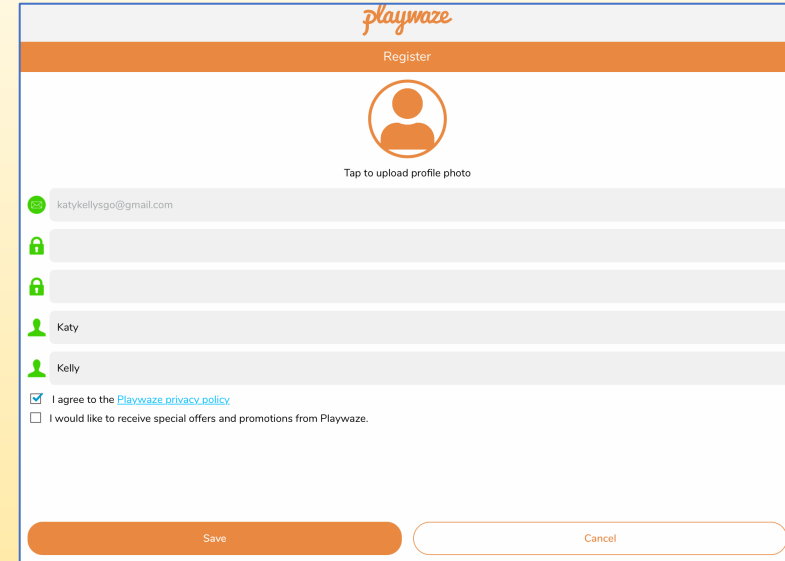

Young people can register themselves directly on the app.

Step 1: Registering

The image shows the Playwaze login and registration screen. At the top is the Playwaze logo in orange script. Below it are two input fields: 'EMAIL ADDRESS' and 'PASSWORD'. To the right of the password field is a link that says 'FORGOT PASSWORD?'. Below the input fields are two buttons: an orange 'Login' button and a black 'Register' button.

Click on **Register**

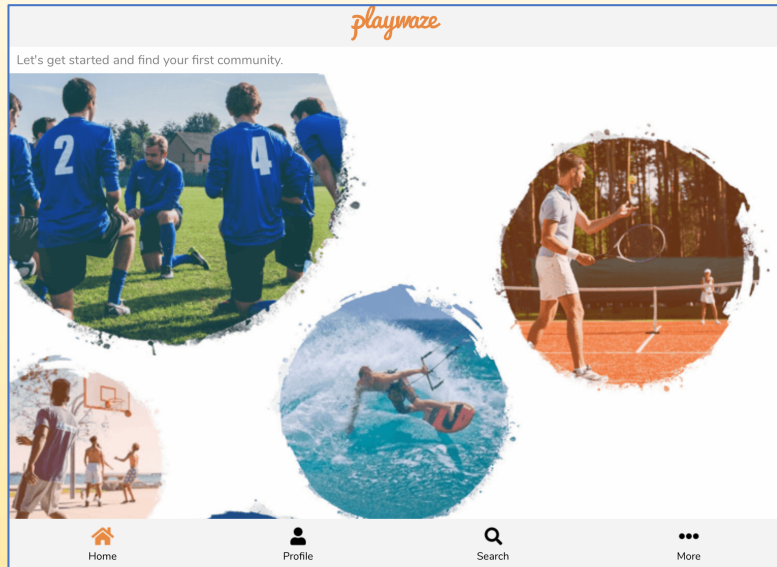

The image shows the Playwaze registration form. At the top is the Playwaze logo in orange script. Below it is an orange bar with the word 'Register' in white. Underneath is a circular profile picture placeholder with the text 'Tap to upload profile photo'. Below that are several input fields: an email field with 'katykellysgo@gmail.com', two password fields with green lock icons, a first name field with 'Katy', and a last name field with 'Kelly'. Below the name fields are two checkboxes: the first is checked and says 'I agree to the [Playwaze privacy policy](#)', and the second is unchecked and says 'I would like to receive special offers and promotions from Playwaze.' At the bottom are two buttons: an orange 'Save' button and a white 'Cancel' button with an orange border.

If you are registering as a **parent** complete your details here
(children will be added later)

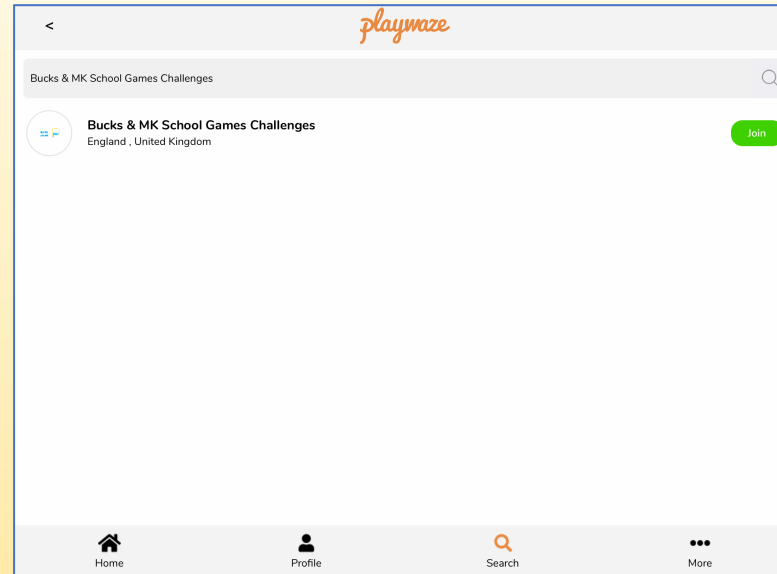

If you are a **young person** downloading the app for your own
use, complete your details here.

Step 2: Finding the challenges

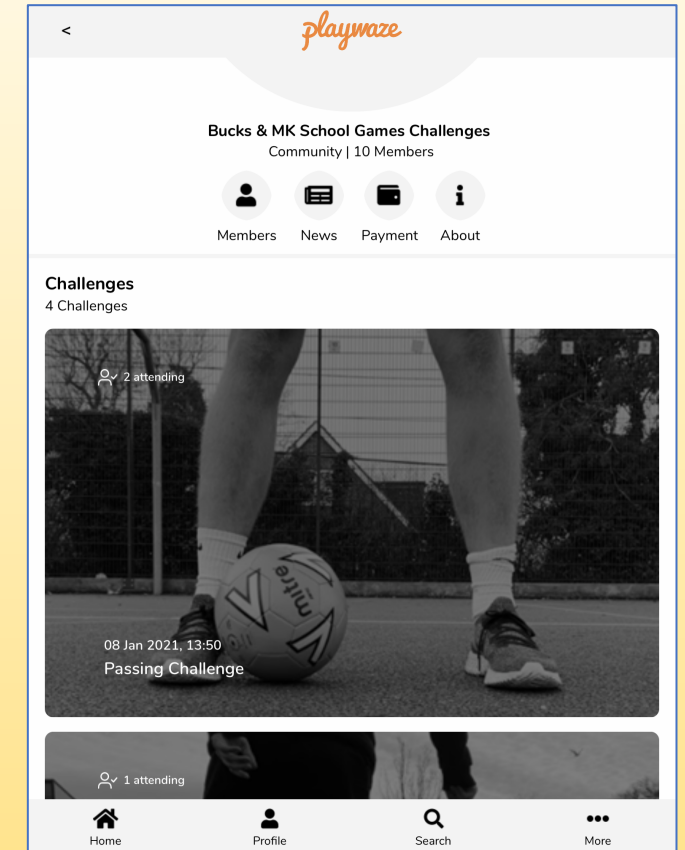

Search for
Bucks & MK School Games Challenges

Please note you need to type the name as shown above

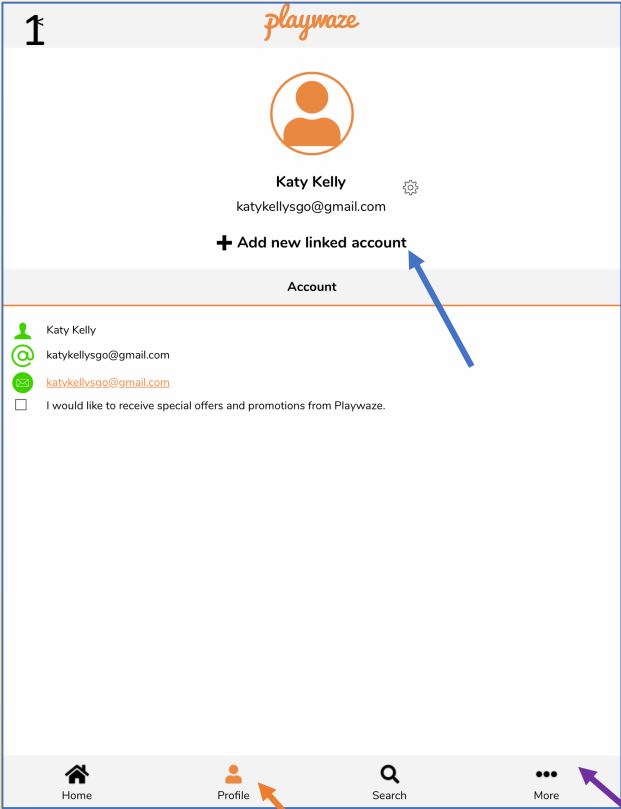

Click **JOIN**

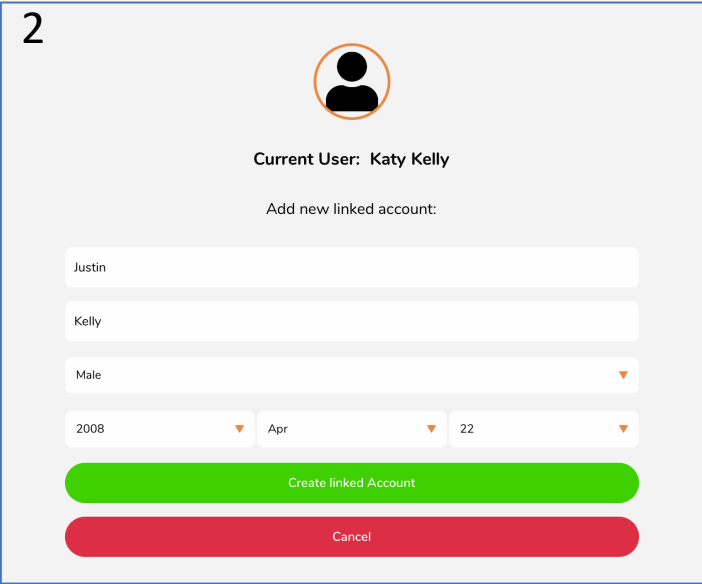

You will now be able to see the challenges available to you

Depending on your device settings you may need to turn locations on to access the challenges

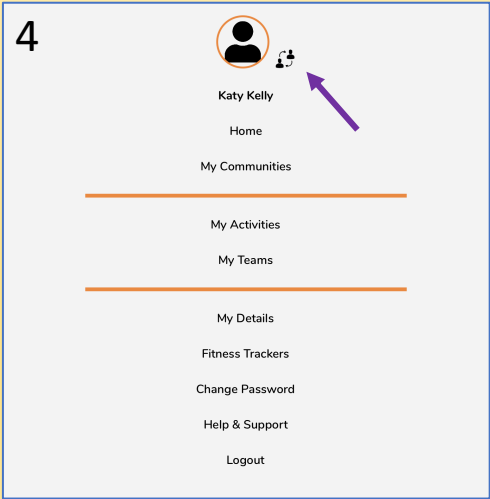

Step 3: Adding a child
(only if registering as a **parent**)

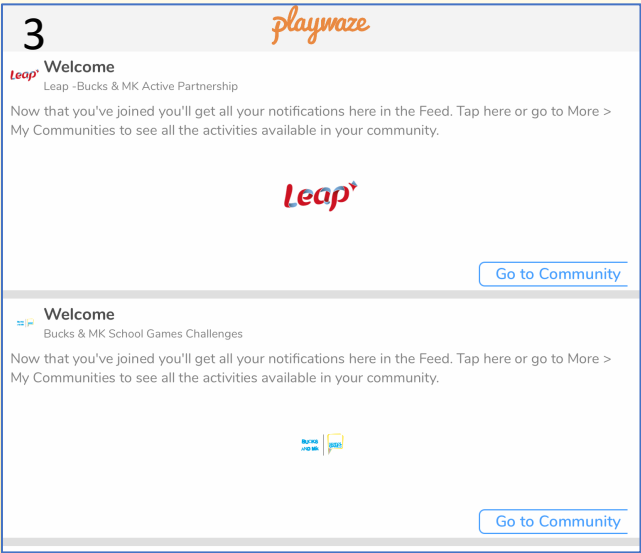

Click **profile icon**
+Add new linked account

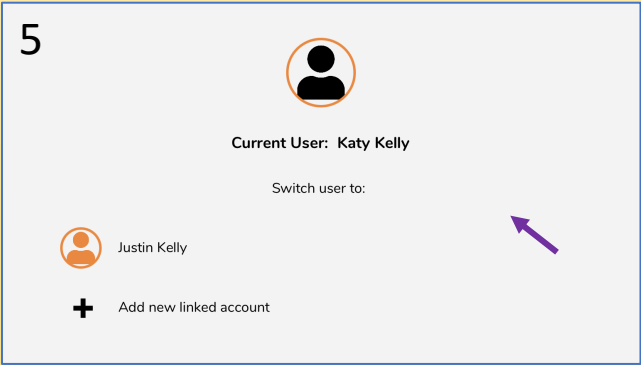

Add your child's details

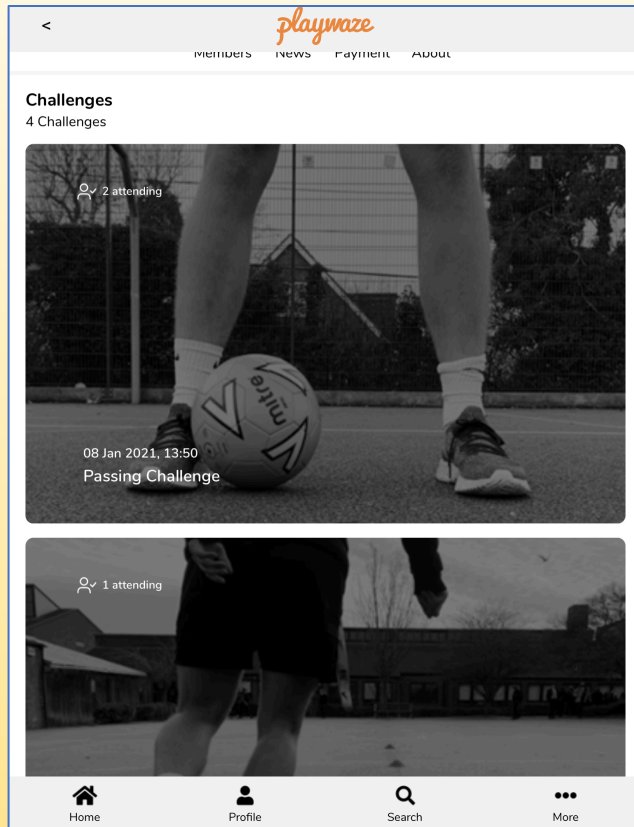

Click **... More icon** to switch between users

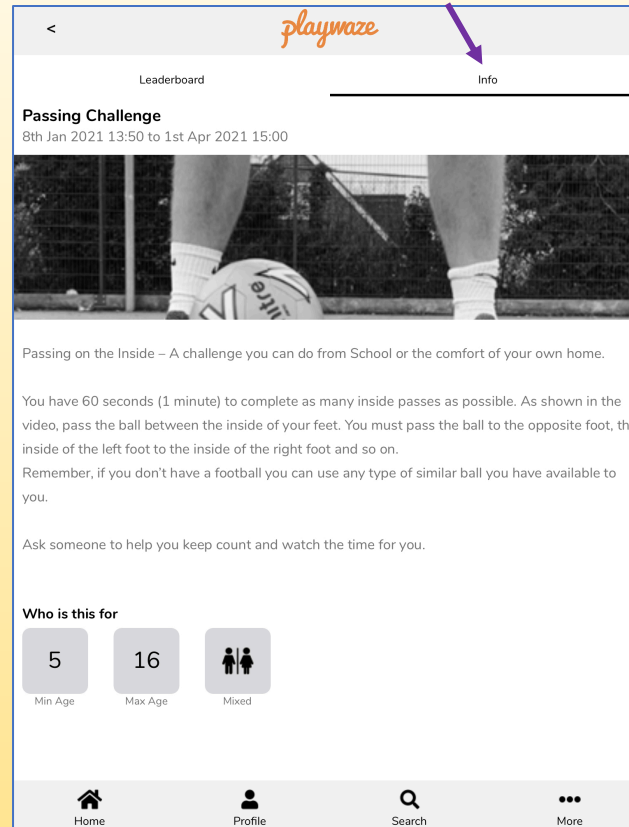

You should then see the
Bucks & MK School Games logo

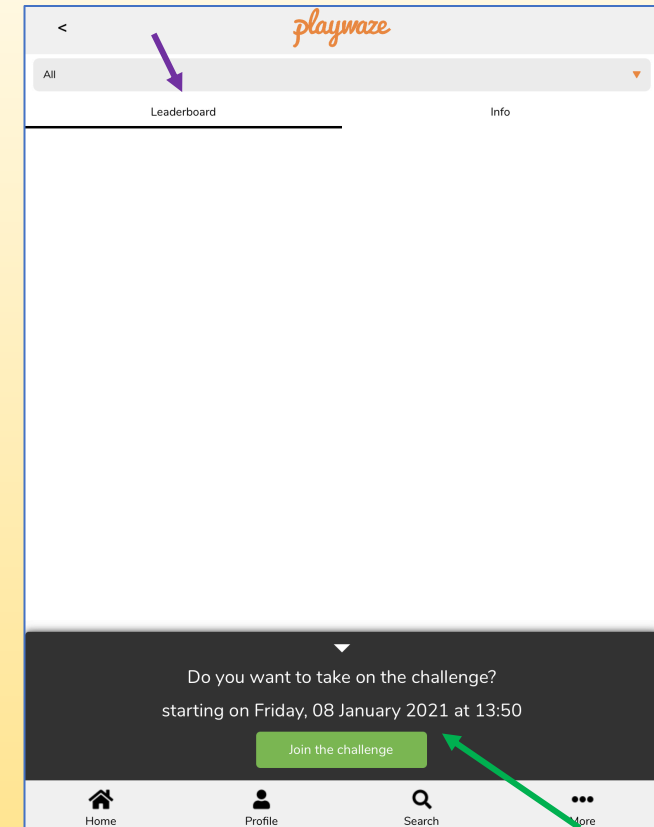

Step 4: Taking part in a challenge

Choose your challenge

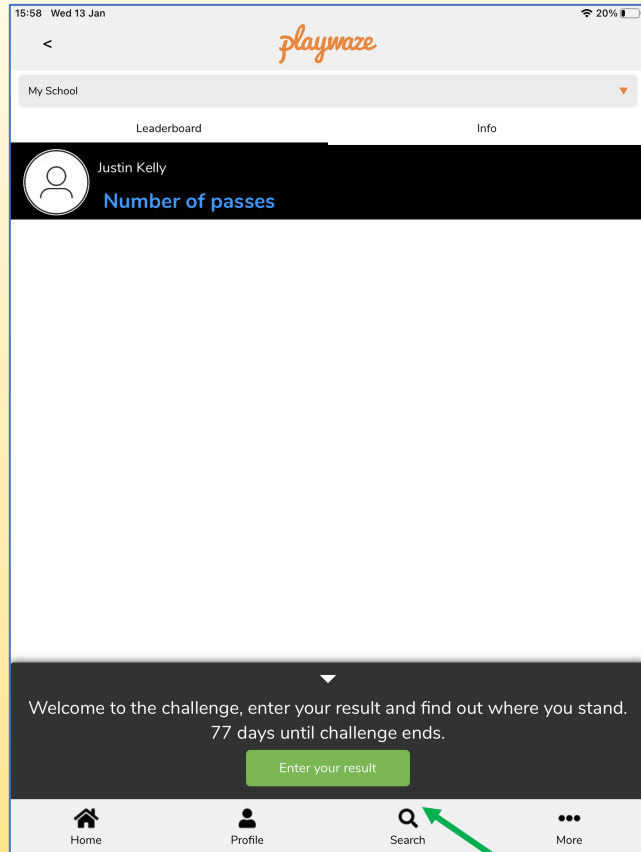

Click **Info** for instructions and a short demonstration video

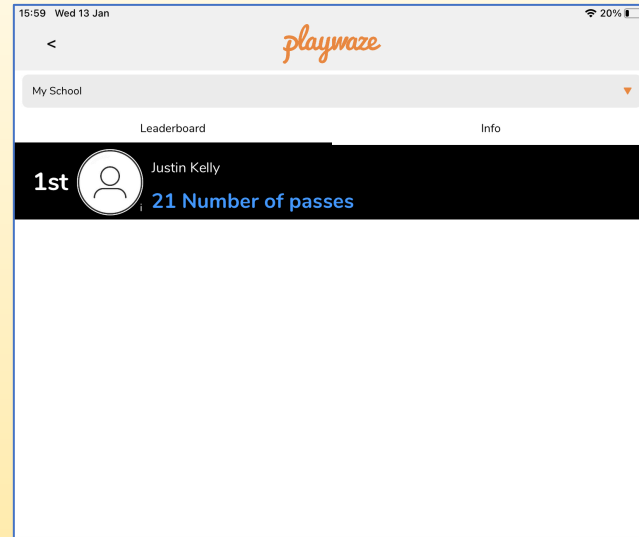

Click **Leaderboard** and **Join the challenge** to enter

Parents, when entering a challenge please make sure you have switched to the correct user.
This is the child who is entering the challenge

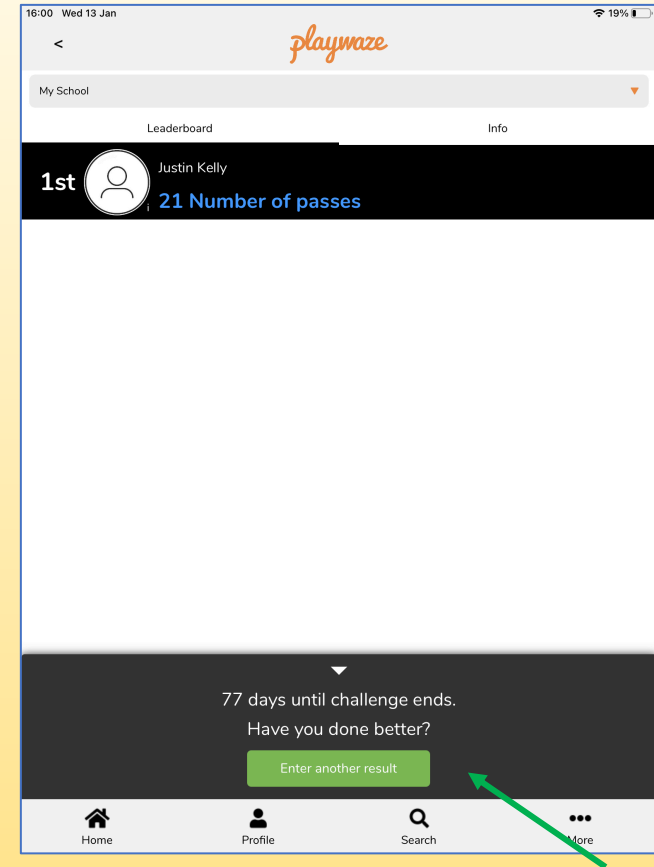

Step 5: Entering a result

Open the challenge and click
Enter your result

Your name will appear with
your score and your current placing

Repeat the challenge as many times as you like.
If you beat your previous score you can add your new score.
