Chenies School Friday Letter

This Week:

Dear Parents and Carers

As I reflect upon our closing Spring term there is much to be proud about. The look of the school has been greatly improved with the library finished, the resources room back under control and the Hall lobby about to get a significant face lift. These changes are the result of much hard work by our parents and PTA in the raising of funds and through the working parties. It is also down to a lot of planning and hard work by the team here at Chenies. For all of this effort I am extremely grateful.

On top of these improvements I am also very proud of the teachers and all the teaching support team, for the hard work they have put in over this term to support the children's learning and their progress. The well chosen topics, trips and visits have really inspired some excellent work. A HUGE THANK YOU to the teaching team at Chenies.

I would also like to thank our lunch time team for their hard work and our office team, Mrs Wight and Mrs Critchlow, who work tirelessly behind the scenes carrying out a myriad of invisible, but essential tasks and in some cases small miracles—such as balancing budgets!

My final thanks goes to the people who make the school such a great place to come and work—the children. They have had a great term with noticeably improved attitudes towards their learning, towards each other and in taking responsibility for their behaviour. These positive changes make a big difference to the feel of the school and to the effectiveness of our learning.

A MASSIVE THANK YOU to the children.

Have a wonderful couple of weeks. Wishing you all a Happy Easter.
