This Week:

Dear Parents & Carers

Another tremendously busy week has flown by and so much has been accomplished. Firstly well done to all the Year Two children in Phoenix you have done so well in your SATs work this week Ms Windsor is very proud of you all.

Also a big well done to Pegasus and Year Five , you too have had a lot of tests this week and you have shown concentration and effort , showing us all how well you have done this year.

Year Five had a very successful morning at Chesham Bois school, taking part in their mini-enterprise morning, one of our teams came runner up - well done.

The vegetable garden is fully ready for planting thanks to the hard work of the Year One children. Hopefully we will get it all planted next week. Sprites have also been gardening tidying up their herb garden and planting some beans which I am looking forward to tasting later this summer!

I am very excited about going on our PGL trip to Liddington next week. We have a great week planned and I am looking forward to spending time with all our adventurers.

Being a shorter week and with many children away there will not be a celebration assembly next week.

Have a wonderful weekend.

School Library:

Hi I am Aws Khafagi from Year 6 and I am the school librarian. Unfortunately, I will be leaving in September and the school will have no-one to take care of our humble library therefore we need more librarians from year 5 or younger if needed.

Talking of the library, people have had a book or two since last year (the highest is 482 days) which is very disappointing! They must of read it by now! So please put them in the returning box in the library near the computer or pass them on to me.

If anyone is interested in becoming the school librarian please inform me or Mrs Wright. Thanks for reading and for your co-operation!
