Chenies School Friday Letter

This Week:

Dear Parents and Carers

Another beautiful week, we have been blessed with a gorgeous Autumn so far and we got our week off to a thoughtful, sharing and generous start with our Harvest Assembly on Monday morning. It was wonderful to have so many parents and family members to share the assembly with, the children really enjoyed performing and showing their work to you.

The children have been out and about this week, Sprites went to the Chiltern Open Air Museum on Thursday and learnt a great deal about living in olden times. They made some delicious little scones which they cooked on a fire, I was most grateful they bought one back for me as a tea time treat! Meanwhile, also on Thursday, both Griffin and Pegasus made a trip to the woods. It was a misty, murky morning, perfect to inspire the children's creepy imaginations and build a vocabulary bank to support their scary story writing.

Phoenix have been getting rather messy this week with their instruction writing all based around making slime, I'm sure most of them will remember the recipe, so perhaps you might like to make some at home this weekend...

Attached are a couple of flyers which may be of interest to you: a half term activity club at Shortenills and a very interesting photography competition aimed at capturing the beauty of the Chilterns.

Have a wonderful weekend

Jonathan Hook

Upcoming events :

Film club October 13th, Spooky Disco November 1st, Quiz night 10th November and we are also planning our first ever Chenies PTA Duck Race at Restore Hope in Latimer in May. Please get in touch if you would like to be involved or have any connections with a company that would like to sponsor this event.

There will be two mufti days coming up in the second half of term in the run up to our Christmas fair, so please keep an eye out for any chocolate or bottled items that you can donate on these days.

Please don't forget, we will also be holding our **AGM on October 11th** in the school hall at 7.30pm. We need at least 14 non-committee members to be able to proceed with the Annual General Meeting and nominate for posts. Please do come and support us as without a committee we can't raise funds for our amazing school and all the children.
