During this time and the reliance of sourcing products from suppliers some items may change. We will notify schools of any changes as soon as we are made aware of them.

Covid 19

An unprecedented time for all of us!

Due to the current government guidelines of social distancing and keeping safe, we have a packed lunch style offer available from June 2020 until the end of the Summer term.

This new temporary menu will be in place until new guidelines are published. We look forward to a new hot lunch menu as soon as it is safe to do so.

The current packed lunch menu enables pupils and staff in all the schools we serve to follow social distancing guidelines, enables pupils to eat their lunch in classroom or outside areas where possible and ensures a staggered lunch for pupils is possible.

The health and safety for all pupils and staff in all the schools including our own here at St Joseph's is paramount and you can rest assured that all government guidelines are followed and updated as and when we receive new information.
