## Chenies School Friday Letter

### This Week:

Dear Parents & Carers

It was great to see so many of you on Tuesday and Wednesday evening at Parent's evening. These evenings are a very important part of the school year, allowing the school to set out some clear goals for the children so that you can support your child in achieving them and in return, we get very valuable feedback from you helping us to better meet your children's needs.

There have been lots of things going on in school this week, on Tuesday, Pegasus and Griffin were very lucky to have a NASA experienced astrophysicist in school to talk about the universe and the new discoveries being made in it. Well done to the children for preparing and asking a wide range of questions - I hope it has inspired some of you to become our next generation of scientists. We are very grateful to Mr Dr Ben Burningham for his enthusiasm and time.

I am also very proud of the Griffin children who had a wonderful Wednesday. Firstly they went to the concert rehearsal and sang beautifully and were a real credit to Chenies. This was then followed by an after school football match Vs Chartridge, our squad of eleven all played their role in a pulsating match, finishing 3 - 3. What made me particularly proud of the team was the fact that they showed perseverance and belief, coming from behind three times to secure a well earned draw.

Wishing you a lovely weekend.

Kind regards

Jonathan

### Red Nose Day - Friday 24 March 2017:

We will be celebrating Red Nose Day next Friday, 24 March. Children are allowed to dress up in a red themed outfit in exchange for a £1 donation to the charity.
