

Spanish After School Club

March 2019

## **RE: Spanish After School Club Wednesday 3.15 – 4.15**

Dear Parents and Carers,

We are delighted to be able to continue bringing our award-winning **BilinguaSing Spanish club** to the children of Chenies School for the Summer Term 2019.

It is now commonly understood that **teaching languages to children from an early age really helps their development**, enhances their speech and increases their confidence – there are so many benefits to starting a second language at an early age! With BilinguaSing, children learn a second language easily through singing, dancing and play! Using our fabulous songs specifically written to teach Spanish, your child will learn through active immersion using music and singing, movement, stories and rhymes.

The club is for **60 minutes each week** and is open to children from **Reception to Year 4**. No prior knowledge of Spanish is required. Please ensure that children are collected from the middle door of the main school building (near Griffin classroom where the class takes place) at 4.15.

The course will start on **Wednesday 1<sup>st</sup> May** and will finish on **Wednesday 17<sup>th</sup> July** at a cost of **£66 for 11 weeks** (no session during half term).

If you would like to book your child a place, please book directly online using this link:

To support your child's learning we also offer "starter packs" which include a book of useful Spanish words which "talks" to you and our ¡Vamos! volume 1 BilinguaSing CD so your child can listen to the songs at home. These can be purchased at the same time as making your booking if you would like them. Additional CDs are also available if desired - just send me an email if you're interested.

Your BilinguaSing teacher is Ms Lunt who has been teaching with BilinguaSing for more than 4 years. Ms Lunt studied Spanish at university and after a period of living and working in Spain, returned to the UK with a passion for its language and culture. She really enjoys teaching Spanish to the children at Chenies School.

¡Gracias!
