This Week: Friday 14 July 2017

Dear Parents & Carers

Yet again the children of Chenies have done the school proud, I thought they made the sports day. The sports day delivered, in a microcosm, exactly what I would want the whole school to be; the range of attributes, values and behaviours on show was incredible: kindness, support, resilience, competitiveness, high expectations, determination, concentration, focus, listening, helpfulness, leadership, responsibility and most of all fun - it seemed to me that whether first, third or last the children competed with a smile.

In addition to the children I would also like to highlight the wonderful support from the staff; a team who, with a skilful mix of experience, intuition and calm professionalism, facilitated a successful event - thank you.

Pegasus had a great trip to Whipsnade Zoo on Monday which has generated all manner of zoo inspired work for the rest of this week. I am looking forward to see the results on the display board that you are creating.

Phoenix are off to the coast on Monday to the Sea Life Centre, this trip will bring to life all the wondrous work they have been doing in class from making their own rock pools to fish in and even snorkel masks to go diving with.

I do hope we will see many of you on Wednesday at either the 14:00 or 19:00 school play performance. Griffin children ably supported by the Pegasus choir are ready to entertain you with their charming, catchy and very cheerful rendition of The Jungle Book.

Our leavers assembly on Friday 21st will start at 11:00 followed by the Parent's Picnic at midday, again, we hope to see you there.

Meanwhile, have a wonderful weekend

Best wishes
