End of Term Newsletter

Headteacher's News

It is hard to believe that this is my last newsletter of the year. The end of an academic year always brings with it a mixture of emotions and as I reflect back on all that has happened during it I feel immensely proud of what we have achieved as a school community. As children, staff and parents we successfully managed remote learning and have ensured that our children continued to make progress and feel part of the wider school community. I recognise that for you as parents not being allowed on the school premises for 16 months now has been extremely hard. I would however like to take this opportunity to once again thank you for your continued support and assure you that as long as guidance permits we will be arranging opportunities for you to enjoy school events with your children and each other again next year.

Thank You

On behalf of all the staff I would like to say an enormous thank you to you all for the many generous gifts and kind words of appreciation that you have given us. As a staff we really appreciate the thought that has gone into the gifts and feel fortunate to be able to work with such a caring community. We really enjoy and see it as a privilege to work with your children. Thank you.

Farewells

I would like to take this opportunity to thank Mr Furcovici for all he has contributed to the school since he arrived in January 2018. I know he will be taking some happy memories of his time here to his new school and we wish him well for the future.

Our year 6 children have had a disrupted end to their primary school years and have missed out on a number of the usual opportunities that come with being the eldest in the school. They have not let that hold them back though and have shown great resilience, matured and continued to flourish. The staff are all very proud of them and we wish them all well for the future. They are always welcome to come back and see us!

Teddy, Anna and James are also leaving us this term and we would like to wish them well in their new schools.

The New Term - What to Bring to School

All children need to bring a water bottle each day and packed lunch/coat if they need it.

We would like children in KS2 class to bring in their own named pencil case which will be required to be left in school. It should contain a blue pen, writing pencil, coloured pencils, an eraser, a pencil sharpener (with its own collecting pot) and a glue stick.

Message from Mrs Burchell

Details for the Autumn clubs are attached & also on our website. Please have a look over the summer holidays and book directly with the provider.

I would like to wish you all an enjoyable and happy holiday. I do hope that you are all able to experience some relaxation over the summer and maybe even enjoy a good book!

We look forward to seeing the children who are returning to us on Friday 3rd September.

Suzanne Powell
